

2022 GRANT & SCHOLARSHIP APPLICATION

Hello member of PossAbilities! We are pleased that you have decided to apply for assistance through our grant and scholarship program. The purpose of a PossAbilities grant or scholarship is to provide support for our members to improve the quality of life, assist in the reintegration of those with disabilities into the community and society, and to meet the specific needs of our members.

This application is designed to help determine your eligibility for a grant or scholarship, to provide a way for you to apply for an award, and to provide information as to how awards are granted. Please work through the application and follow all instructions. **Your application must be complete to be considered.** Use the **Checklist** worksheet on page 4 & 5.

What type of funding is available?

Funding can be awarded to members for the following:

- Equipment to improve quality of life
- Accessibility grants (Not to exceed \$15,000)
- Educational scholarships (Not to exceed \$5,000)
- Travel to and/or participation in adaptive sporting events
- Other needs specific to the disabled population

**IF YOU RECEIVE A GRANT, YOUR ATTENDANCE IS MANDATORY
AT THE CELEBRATION DINNER
ON DECEMBER 11, 2022 IS REQUIRED.**

Who can apply?

Any member of PossAbilities may apply based on the guidelines listed below. A friend or family member may also apply on behalf of a PossAbilities member, as long as the PossAbilities member is willing to sign a release of liability if selected to receive support.

- **Members:** A PossAbilities member is anyone with a disability who submits an application for membership and is enrolled in the program. Members are entitled to full benefits and are eligible to apply for grants and scholarships in support of needs they are not able to meet otherwise. Requests for funds to be used as supplemental income or to pay for medical care can not be provided by PossAbilities.

How are awards granted?

Awards are distributed directly to an organization, school, or company providing the resource for the PossAbilities member. PossAbilities does not give money directly to any individual. Awards are determined based on the applicant's level of involvement in the program, longevity of membership, need, and potential impact on the applicant's life.

Who decides?

A review panel consisting of PossAbilities staff and members of the community will review, vote, and decide on awards for applicants. It is the intention and purpose of PossAbilities to thoughtfully consider all applications. While all needs are relevant, the quantity and diversity of the awards are dependent upon available funds.

Can I apply more than once?

Due to the number of requests and the diversity of the needs of our members, you may only submit one application per calendar year. Past recipients of funding are not eligible to be considered for a PossAbilities grant or scholarship for two years from when they received funding. Applicants awarded an accessibility grant must wait three years. This ensures that PossAbilities is able to assist as many members as possible.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
